W. J. MURTAGH.....Editor and Propri

therto most admired by his friends. The an has had any influence in the case is ratuitous and improbable." And again: Up to this time he has been steadily content. So far as we may judge, from the timations which reach us from Washing on, he is likely to be true to himself."

se criticisms is that General Grant, in aus acting for himself, is guilty of a grave ffence, which the people, without distincion of party, should unqualifiedly conlemn. Perhaps General Grant is wrong in pursuing this independent line of policywrong in not throwing the responsibility rhich the Constitution and the laws repose n him of selecting his own agents and offiers to carry on the Government upon someoody else. There can be no doubt that if the late Mr. Greeley were elected President. he would have acted in an entirely different way. The gentlemen who had nomi-

when they come to think the people when they come to think the people when they come to think the people when they come to think they come to the people when they come to think they come to the people when the people when they come and the people when lection in the Jacksonian period, when every office in the country, from the Secretaryship of State down, was parceled out with a strict eye to the succession; when the party leaders quarreled over the Cabinet offices and the Speakership of the Central 360,000 tons, and the Eric 531,050 the Central 360,000 tons, and the Eric 530,000 tons the Central 360,000 tons and the Eric 530,000 tons and the Eric 530,000 tons and the Eric 530,000 tons tone to the Mainten of the States and of section a were so the the section of the Eric 530,000 tons and the Eric 530,000 tons tone to the Eric 530,000 tons and th

ivil war was threatened, when the public nind was excited with strange doubts reparding the policy to be pursued by the should divest themselves of prejudices in Jovernment, and when men of every charter, as well as of high and low position, deavor to harmonize upon such great mentioned the relation of James Rooms, of the convention, therefore, should divest themselves of prejudices in favor of put schemes and theories and encited tremblingly before taking position either for or against the South. It was, indeed, a time that tried men's souls. Provisions and butter, live stock, de., will continue to follow the shortest railway butter as the first day of April and the strands of the first day of April and the strands of the first day of April and the same and the first day of April and the same and the first day of April and the same and the first day of April and the same and the first day of April and the same and the first day of April and the same and the first day of April and the same and the first day of April and the same and the first day of April and the same and the first day of April and the same and the first day of April and the same and the sa

mighty influence in the formation of public sessiment. These opinions were as potential as to induce a general belief at one time that peaceable separation was possible and possitionable. The journal we have named complains that the President in making nominations for the principal, if not for all the offices in his gift, does so entirely upon his own responsibility; that his favors are distributed as to him seems fit, without consultation with his party. Referring to the Chief Justiceship our New York cotemporary says: "His dealing with this momentus with the march of armed soldiers over the line tous business of his second term is marked."

The doubts previously entering to the day of hest instead of pothouses, and the party nominations would be held at churches and achool-houses, instead of pothouses, and the party made than now. In a word, if the women were allowed to vote upon political affairs as they do in church and achool matters in many countries, perhaps they might make a wonderful reform in the more distributed as to him seems fit, without were made which return to day to plague they might make a wonderful reform the the more more political affairs as they do in church and achool houses, instead of pothouses, and the party momentum would be more fairly made than now. In a word, if the women were allowed to vote upon political affairs as they do in church and achool houses, instead of pothouses, and the party momentum would be more fairly made than now. In a word, if the women were allowed to vote upon political affairs as they do in church and achool houses, instead of pothouses, and the party momentum would be more fairly made than now. In a word, if the women were allowed to vote upon political affairs as they do in church and achool houses, instead of pothouses, and the party momentum than the provide the more fairly made than now. In a word, if the women were allowed to vote upon political affairs as they do in church and achool houses, instead of pothouses, and the party momentum the party made than now. In a word, if the would be more fairly made of the Southern States would be an act of trespass and a violation of the sovereign rights of the States. He had further declared that no condition of war could exist; that the act of the Government in sending troops to conquer the South was virtually "a raid," and that those who suffered amages to their property in consequence were entitled to recover from the Govern-ment the amount of their losses. We refer to this fact now to show that some of the The idea intended to be conveyed in best men in the country have had reason in the light of subsequent experience to change their belief as regards the rights of States live in glass houses, we cannot afford to

> are in danger of damaging our friends. CHEAP TRANSPORTATION.

The proceedings of the "Cheap Transerest in the general subject on the part of tions. the participants from every section reprethe participants from every section represented him, who had conducted his cambodium, who had conducted his cambodium, who had subscribed their money and some all the cheering and hurrahing, who had shandered and defamed their opponents in the interest of their candidate as one party never defamed another—these gentlemen, if he had won in November, '72, abounding also in fuel and manufactures of licitate all of his nominations. Mr. Doosittle would have been given the appointment of all the postmasters and the gaugers in fuel and manufacture of the far west, while in the far West, the grain-producing region, a scarcity of wisconsin; Mr. Schurz would have been given Missouri, and directed to distribute he offices there according to his supreme given Missouri, and directed to distribute he offices there according to his supreme would and pleasure; Aleck McClure would and pleasure; Aleck McClure would and pleasure; Aleck McClure would are the burning of the solved is pated him, who had conducted his cam- sented. But with all this there appears to any been made the satrap of Pennsylvania, and official heads would have fallen by the for the corn of the West in a cheaper and numbered and the thousand at his mere nod.

The immaculate General John Cochrane found that it cannot be economically effected. The immaculate General John Cochrane would be the lord paramount of the New York custom-house, the post office and the sub-treasury, with power to goward his enemies and machinery by which they are operated and the enemies of his liege lord in the White thouse. That, according to the Tribuns, would be the proper way to run the party, nold it together; introduce civil service to market instead of being to make the party, and lumber to market instead of being to the operate of the same railed to military and lumber to market instead of being the proper way to run the party, nold it together; introduce civil service transported by land carriage on account of the great pulk of the party and lumber to market instead of being the approach of the respective to the reform, and place the Administration above greater occurring must the great bulk of Mr. Bower, the publisher of the New York reproach. General Grant, in pursuing the special of the country which special course, only shows how much more ably and efficiently the whole thing would be managed by the disinterested patrists whose untimely fate eighteen months ways are indispensable to the business of sell.

Ms. Bower, the publisher of the New York the New York is the country which have been much been declined. Mr. Bowen does not intend to stay whose untimely fate eighteen months ways are indispensable to the business of sell. would be managed by the disinterested patristrates this to be the cheapest method.
